Privacy Policy

THOMAS DRUGS respects the privacy of our members and visitors to our Web site. To protect your online privacy, THOMAS DRUGS has implemented the following policy that discloses the privacy practices for <http://jntdrugs.webs.com>

If you have any questions regarding the THOMAS DRUGS Web site or our privacy-policy, contact James Thomas at 706-569-8680 or via text message at 706.249.2026, or via email at genrx4419@aol.com This e-mail address is being protected from spambots. You need JavaScript enabled to view it .

Information Collected - General

THOMAS DRUGS is the sole owner of the information collected on our site. THOMAS DRUGS, and its divisions, uses data collected to better serve our members; to improve our own web content; to process a user's request (i.e. conference registration, product purchase, subscription service); to respond to visitors' interests, needs and preferences; and to develop and market new products and services.

This information is not sold or distributed in any other manner that is not disclosed in this policy.

Information Collected From THOMAS DRUGS Members, Conference Registrants, and Customers

To gain access to Member Resources and subscription/CE services on the THOMAS DRUGS Web site, members and other users may be asked to register and provide some information. This information is submitted voluntarily. THOMAS DRUGS asks users to provide information including their name, company/pharmacy name, contact information, business phone/fax, and e-mail.

Similar information may be submitted to THOMAS DRUGS through the contact section of our website.

Information Collected From General Users

THOMAS DRUGS does not collect any personal information from users browsing our Web site. Users to the public areas of THOMAS DRUGS's Web site browse anonymously. Only aggregate data (see Log Files) may be collected.

Log Files

We use IP addresses to analyze trends and track users' movements throughout our site. Aggregate data—such as the number of hits per page, what pages are visited—are also collected. Aggregate data

are only used for internal and marketing purposes and do not provide any personally identifying information.

Surveys/Polls

From time-to-time, THOMAS DRUGS will feature surveys and user polls on its Web site. Participation is voluntary. Information requested may include name, contact information, demographic information and survey/poll-related information. Such information will be used for improving the use of THOMAS DRUGS's services, product offerings, and website.

Monthly Sales

THOMAS DRUGS posts monthly sales promotions on our website. However, there are markdown items that are too large in number to post on the website; therefore these must be viewed in-store only.

Use of Cookies

Cookies are files that contain information created by a web server that can be stored on a user's hard disk for use either during a particular session ("per-session" cookie) or for future use ("persistent" cookie). Cookies are used on the member's section to remember login information. Cookies are not used to disseminate significant information about users over the Internet or to analyze any information that users have knowingly or unknowingly provided. When a user registers, the system will ask whether the user approves of the attachment of a cookie. Users may instruct their Internet browsers to opt out of accepting a "persistent" cookie and rather accept only a "per-session" cookie, but will need to login each time they visit the site to enjoy the full benefits. If the user declines the attachment of any cookie, the user may not have access to the full benefits of the Web site.

Privacy Issues Regarding Links To Other Sites

The THOMAS DRUGS Web site contains links to other Web sites. THOMAS DRUGS has no control over, and is not responsible for the privacy policies or content of such sites.

Also, if any user suspects THOMAS DRUGS has handled its personal information in a manner that does not comply with this privacy statement, please contact us by e-mailing to <http://jntdrugs.webs.com> This e-mail address is being protected from spambots.
