Privacy Statement

Thomas Drug's Privacy Commitments

Effective Date: March 24, 2014

At Thomas Drugs, we are committed to ensuring your privacy. This commitment guides our decisions about how, where, and when to collect and share your personally identifiable information. Our goal is to provide you with clear, easy-to-read explanations about our information practices in one place. This explanatory information applies throughout our businesses and across our website, mobile app and social media presences for <http://jntdrugs.webs.com> (our website). We welcome your questions and feedback about our Privacy Policy or our privacy commitments, and invite you to [Contact Us](#).

As part of our privacy commitment to you, we want to share with you the basic components of our Privacy Policy:

- **Transparency.** We will make our privacy commitments easy to find and easy to read.
- **Notice.** We will notify you of changes to our Privacy Policy before they take effect.
- **Choice.** You have choices about what information you provide to THOMAS DRUGS and how THOMAS DRUGS will use your information for marketing purposes.
- **Security.** We will use state of the art security safeguards to protect your privacy and the data entrusted to us.
- **Control.** We will not sell your personal information to anyone, for any purpose. And when we share information with our subsidiaries or trusted service providers, they too must comply with our privacy commitments.
- **Accessibility.** We will listen to your feedback and answer your questions about our Privacy Policy, commitments, and practices.

We recognize the trust you place in us to safeguard your privacy. Our privacy commitments are and will remain a fundamental part of our business, and will apply to everyone who has a relationship with THOMAS DRUGS , including patients, customers, and visitors to Our Site. These commitments may well grow as our business grows and we develop new ways to interact with you, but rest assured that we will keep you informed about these changes through our updated policies.

[The THOMAS DRUGS Privacy Policy](#)

The Scope of this Privacy Policy

THOMAS DRUGS Site and Mobile App are owned and operated by the THOMAS DRUGS Corporation.

This Privacy Policy describes the choices you can make about the way your information is collected and used. Our Privacy Policy applies to the information collected on Our Sites and to any other information that THOMAS DRUGS collects about you.

For information about the privacy of your personal health information, please review the THOMAS DRUGS [Notice of Privacy Practices](#).

Your Consent to Use Our Sites (i.e. Facebook and store website)

By using Our Sites, you signify your consent to our collection, use, and disclosure of your personal information in accordance with this Privacy Policy. If you do not agree with the practices described in this Privacy Policy, please do not use Our Sites.

The Information We Collect About Customers and Users

THOMAS DRUGS may collect different types of personal or other information when you visit Our Sites, when you place orders with us, and in other circumstances described in this Privacy Policy. Some examples of the information we collect include:

- Contact Information, which we use for contacting you regarding your orders or for services which may be of interest to you;
- Billing Information necessary for your financial relationship with us, including payment method data you store with us for the completion of orders;
- Personal Health Information necessary for filling prescription orders from THOMAS DRUGS . We may also collect Personal Health Information while providing you services at THOMAS DRUGS . This information is also protected under our [Notice of Privacy Practices](#);
- Technical Information relating to your use of our Site or mobile app.

How We Collect Information About Customers and Users

THOMAS DRUGS collects information in four primary ways:

- When you provide us with information when you purchase or interact with us about products or services offered by THOMAS DRUGS ;
- When you register as a user of a THOMAS DRUGS Site;
- When we collect technical information automatically when you visit Our Sites; and
- When we obtain information about you from your employer or health care plan in connection with your prescription orders.

How We Use Information About Customers and Users

THOMAS DRUGS may use the information we collect in a variety of ways to enhance our customers' experiences, including to:

- Process your orders for products or services;

- Improve customer services;
- Respond to your questions;
- Deliver you customized content, advertising and savings that may be of interest to you;
- Communicate with you regarding updates, offers, and promotions;
- Monitor and ensure Site integrity and security;
- Investigate, prevent, or take action relating to illegal activities, violations of our Terms of Service or Privacy Policy; and
- Aggregate non-identifiable information for business analysis.

Online Activity Tracking and Advertising

- We collect information about your activity on Our Sites and through our advertisements using technologies such as cookies, including third-party cookies, web beacons and server log files.
- We and our third party business partners use this automatically generated information, as well as other information that we or they have, to provide you with an optimal website experience. This includes measuring the effectiveness of our ads and your interactions them, and tailoring offers and advertisements to you for products or services you may find helpful on Our Sites and third-party sites.
- Our Sites may also contain third-party cookies from advertising partners who help serve ads for THOMAS DRUGS and other third parties on Our Sites and elsewhere on the web. To opt-out of these type of cookies, visit the Network Advertising Initiative (NAI) website by clicking [here](#).
- Remember that even if you opt-out through the NAI website, you can still receive tailored offers through your THOMAS DRUGS in-store savings and rewards program. These savings can be found monthly; both in-store and posted online.

How We Share Personal Information

THOMAS DRUGS will only share your personal information in manners described within this Privacy Policy.

- We do not sell your personal information to anyone for marketing purposes.
- With THOMAS DRUGS Companies: THOMAS DRUGS may share your personally identifiable information with one another to ensure that your experiences as a customer or user of THOMAS DRUGS Sites is as seamless and enjoyable as possible.
- With Third Party Companies: In limited circumstances, THOMAS DRUGS may share your personally identifiable information with third party companies to provide you with technologies, services, or content that may be of interest to you, or to assist us in fulfilling your orders. In all instances in which THOMAS DRUGS shares your personally identifiable information, we require that the recipient agrees to protect it in a manner consistent with this privacy policy.
- In Other Circumstances: THOMAS DRUGS may share your information in other limited circumstances, including:
 - Responding to requests from law enforcement officials or judicial authorities or to otherwise cooperate with authorities pursuant to a legal matter;

- Responding to matters of personal or public safety;
- In litigation, investigations, and other legal matters where the data is pertinent;
- To investigate security incidents;
- In the event of the sale or transfer of THOMAS DRUGS or of some of our assets, or in the context of similar business negotiations.

Anonymous and Aggregate Information

- We also collect technical, non-personal information about Site users.
- THOMAS DRUGS may also remove personally identifiable information to create anonymous data.
- This data cannot be used to identify any individual, and we will not attempt to re-identify later or allow others to do.
- THOMAS DRUGS uses and shares this data for historical, statistical, or business planning purposes.

Our Online Privacy Policy for Children

- THOMAS DRUGS Sites are not intended or designed to attract users under the age of 13.
- We do not collect personally identifiable information from any person we know to be under the age of 13.
- We instruct users under the age of 13 not to send any information to THOMAS DRUGS through our Sites.

Our Data Protection and Security Policy

- We maintain industry standard security measures, including SSL encryption, to protect sensitive data such as when it is stored by THOMAS DRUGS and when you send it to us.
- We ask all third parties acting on our behalf to protect your information in accordance with this Privacy Policy and to implement comparable data protection and security policies.
- We maintain personal information for registered Site users in accordance with our Records Retention Policy and Procedure, and you have the right to change your membership information or status at any time.

THOMAS DRUGS Customer Privacy Choice and Control

- You have the ability to review, modify, or request the removal of personal information we collect about you. Certain information may be retained, however, to satisfy legal obligations.
- You may choose to limit the types and frequency of communications you receive from THOMAS DRUGS .
- You may choose to end your relationship with THOMAS DRUGS at any point.

Our Privacy Commitments to Employment Applicants

- We collect information, including personal contact information, education and work history, as well as Social Security numbers in order to process and consider your application.

- Your application information will not be sold to unaffiliated third-parties for marketing purposes.
- The information on your application may be shared with background services and our affiliates and used for certain regulatory, compliance and legal purposes.

Changes to this Privacy Policy

- Any changes in our Privacy Policy will be prominently posted on the THOMAS DRUGS Privacy Site so that you are aware of any changes in the data we collect and how we use it.
- If you register and provide us with a valid email address, we will notify you by email of any significant changes to this Privacy Policy. You will be given the opportunity to opt in to any significant new uses of personal information if that information was collected prior to the change in this policy. If you do not opt in to any significant new uses of your personal information, that information will continue to be governed by the policy in effect at the time your information was collected.
- If you do not register, we will not have your email address and cannot provide you with any notifications of Privacy Policy changes.

Your Personal Health Information

In some circumstances, THOMAS DRUGS use of your information will also be subject to the requirements of the Health Insurance Portability and Accountability Act (frequently referred to as 'HIPAA'). For example, when you are submitting personal health information for prescription refills, or you provide information to during a visit to the Patient Center My Records at MinuteClinic.com, we are subject to the requirements of HIPAA.

In these circumstances, the terms of THOMAS DRUGS [HIPAA Notice of Privacy Practices](#) will apply.

If you have questions about which policy applies to information you have provided us, please do not hesitate to [Contact Us](#), or call us at (706) 569-8680.
